

## Trinidad and Tobago Friendly

Trinidad and Tobago faced off with CONCACAF foe Jamaica on August 11. The game went down as a 3-1 Jamaica victory, despite impressive performances from several MLF clients. Kendall Jagdeosingh came off the bench for the Soca Warriors in the 66<sup>th</sup> minute. He injected life into a team that looked flat in attack at times. Kendall had a couple of opportunities late in the game, but was not able to notch a goal in his fourth national team game. His Soca Warrior teammate Aklie Edwards was called up to the team after an extremely successful season for Defence Force. Aklie started and played the full game at left back while playing solid defense during his 26<sup>th</sup> national team cap. Aklie has become a permanent fixture at left back throughout qualifying for Coach Russell Latapy. The Soca Warriors will continue their international schedule starting on September 7<sup>th</sup> against Panama. They also play Belize and Jamaica in the month of September.

## Randi Patterson Traded

Randi Patterson was traded on August 2<sup>nd</sup> from Crystal Palace Baltimore to the Austin Aztex. Patterson was having a very successful season leading the attack of Crystal Palace Baltimore. Austin acquired the star forward in an attempt to secure the USL title. The Aztex are currently in 2<sup>nd</sup> place in the USL conference of the USSF Division 2, just two points behind the Rochester Rhinos, however the Aztex have three games in hand, giving them plenty of opportunities down the stretch run to secure the conference championship. Randi adds an exciting attacking element to a team that was already leading the league in scoring. Randi is a true striker with a knack for finding the goal, something he has proved at both Crystal Palace Baltimore and the Charleston Battery before that. His first appearance with the team came as a substitute in a 4-0 thrashing of the Tampa Bay Rowdies on August 7<sup>th</sup>. Randi scored his first goal for the team on August 22 in a thrilling 3-2 victory at home over the Carolina Railhawks. Randi scored in the 81<sup>st</sup> minute to put Austin up 3-1. Austin quickly scored, to pull within one making Randi's goal the deciding goal. Patterson did not start the game, but was the key factor in securing the Aztex win after he came on in the 68<sup>th</sup> minute.

## MLF Signs 4 basketball players

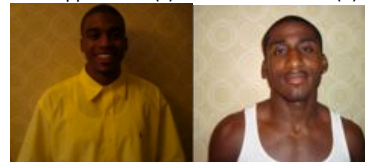

The Roosevelt Bouie Basketball Combine has led MLF Sports to signing four basketball players from the camp: Phillippe Harris, Tizzo Johnson, Stoney Polite Jr., and Michael Smith. These four players are extremely talented individuals with numerous skill sets. Phillippe, Stoney, and Michael are point guards but they are all different types of players. Phillippe is an excellent shooter and can run a team extremely effectively. Stoney is a charismatic point guard who is unafraid of the big moment. Michael is an athletic point guard who is an amazing on ball defender. Tizzo Johnson is naturally a forward who can play on the wing or in the post. He can score inside on smaller players or take larger guys off the dribble, and he can even score without plays being run for him. MLF Sports is excited to sign these players, and is looking forward to potentially adding some more players from the combine.

## Puerto Rico Islanders rolling

The Puerto Rico Islanders had an excellent month of August. They started it off by defeating the Los Angeles Galaxy in CONCACAF Champions League Qualifying. They then proceeded to tie Club Deportivo Olimpia, the champion of Honduras, and defeat Club Deportivo FAS of El Salvador in the first two games of their Champions League Schedule. Additionally the Islanders have been on a roll in their league schedule with a 9 game undefeated streak, the last game of which was a 3-2 victory over the Carolina Railhawks on the road on August 28<sup>th</sup>. This streak has coincided with a surge in the standings as the Islanders have jumped from last in the USL Conference of USSF Division 2 to 4th which puts them in excellent playoff positioning. They have been led by Kendall Jagdeosingh who has become a super sub for the team. Kendall enegizes the team in the late stages of the game, providing an attacking presence that has helped the Islanders get results in the last couple minutes of games.
