Striker for both Trinidad and Tobago's National Team and Sparta Rotterdam B.V. Roberts just returned home for Trinidad and Tobago's draw with full force Jamaica on Jamaica's home pitch. The striker joined Sparta Rotterdam B.V. of the Dutch Eredivisie League in February 2007. Since joining the Eredivisie, Darryl has scored nine goals while playing in only 19 matches. Roberts has helped lead Sparta's quest to avoid relegation and has continually proven to finish when brought into the match. Even before reaching the Eredivisie, Darryl was the all-time leading scorer in points and goals for Liberty University in the United States of America. Darryl combines strength, fitness, pace, and a high football IQ in the attack by always drawing defenders and delivering great strikes to the net or laying perfect assists for surrounding teammates. Darryl will look to continue his career at the highest international level as Trinidad and Tobago seek to qualify for the 2010 World Cup.
